Detailed Instructions

Item Explanation

1. Type or clearly print the entity's full name, identify the person to whom inquiries about the information should be directed, and give the entity's complete mailing address and telephone number, including area code.

2a. If the entity made contributions to any candidate for legislative or statewide executive office, a committee formed to support or oppose one of these candidates, or to any political committee formed to support or oppose a statewide ballot measure, put the sum total of all of these contributions on line 2a. (These contributions are itemized in Item 8.)

2b. If the contributions to these state candidates or committees were not made by the entity itself, but rather by a PAC associated, affiliated or sponsored by it, merely show the name of the PAC on the line provided. Do not show any amounts. Persons interested in this information will look at the PAC's campaign reports to see how much was raised and spent.

3. As the name implies, "independent expenditures" are expenditures made totally independent of a candidate's campaign – or the candidate's political party, caucus committee, political consultant, or any agent of the candidate. (If an expenditure is not done independent of a candidate's campaign, it counts as a contribution to that candidate.) Further, a C-7 reportable independent expenditure must also be for political advertising costing over $1,000* in the aggregate that supports or opposes: a) a legislative or statewide executive office candidate or b) a statewide ballot measure. On line 3, put the sum total of all independent expenditures regarding state office candidates and statewide ballot measures. (These expenditures are itemized in Item 9.)

4. If the entity made direct or indirect expenditures to entertain or provide gifts, tickets, passes, transportation or travel expenses (including meals, lodging, etc.) to one or more legislators, state officials, state employees or members of their immediate families, put the sum total of such expenses on line 4. (These expenses will be itemized in Item 10.)

5. If any direct or indirect expenditures were made to honor, influence or benefit legislators, other state elected officials, successful candidates for state office, their spouses, domestic partners, or dependents, show the sum total of these payments on line 5. Include expenditures for honoraria, speaker fees, tuition, office staff or equipment, etc., as well as any contracts or fees given to these individuals on a selective basis. (These expenses will be itemized in Item 13.) Do not include expenditures made in the normal course of business.

6. Show the aggregate total of all other expenditures made to influence the passage or defeat of any legislation or state agency rule, rate or standard, whether the expense was made to or through a lobbyist. For example, if the entity made a contribution to a charitable or civic organization at the request or suggestion of a state official or family member, the amount of that contribution would be included in the total shown on line 6.

7. Add together the amounts on line 2 through 6 and put the total on line 7.

8. If one or more contributions totaling over $25 were given during the preceding calendar year to: a candidate for legislative or statewide executive office; a committee formed to support or oppose one of these candidates; or a committee supporting or opposing a statewide ballot measure, itemize the contribution(s) as required on the form.

9. If one or more independent expenditures totaling $1,000* or more were made in support of or opposition to: a) a legislative or statewide executive office candidate or b) a statewide ballot measure, itemize the expenditure(s) by providing the information called for on the form.

10. If the entity spent over $50 in the aggregate entertaining or providing gifts, tickets, passes, transportation or travel expenses to a legislator, other state elected official, state employee or member of the official's or employee's immediate family, itemize the expense in Item 10. Supply all the information requested on the form. Include the value of travel in a company-owned plane if this type of transport was provided to an official or family member.

11. If the entity paid compensation of $2,000 or more to any state elected official, successful candidate for state office or any member of their immediate families for employment or professional services, supply the information required in Item 11 on the form.

    To indicate the amount of compensation paid, use the Amount Code that reflects the total, gross compensation paid (or owed) the individual for the preceding calendar year:

    Amount Codes:
    A - $1 to 3,999
    B - $4,000 to 19,999
    C - $20,000 to 39,999
    D - $40,000 to 99,999
    E - $100,000 or more

12. If the entity paid compensation of $2,000 or more for professional services to any corporation, partnership, joint venture, association or other entity in which a state elected official, successful state office candidate or member of their immediate family holds an office, partnership, directorship or ownership interest of 10% or more, itemize the payments in Item 12. Use the above Amount Code to specify the compensation paid to the organization or business entity with which the official/candidate/family member is involved.

13. If the entity made any other type of expenditure either directly or indirectly to honor, influence or benefit a legislator, statewide elected official, successful candidate for state office or a member of their immediate family, show the recipient's name, the amount, and the date and description of the expense. Do not show expenditures made in the normal course of business.

14. The report must be signed by an officer of the reporting entity who certifies that it is true, complete and correct. In the space provided, also type or print the officer's name and title.
